MEMORANDUM FOR: Director

FROM : Comptroller ^{7s/} John D. Iams

SUBJECT : Congressional Presentations on CIA Budget

1. Attached are four items related to your 10 March and 16 March appearances before the Congressional Appropriations Committees on the Agency Budget:

- a draft of a speech
- a talking outline based on the draft
- preliminary sketches of the briefing boards
- your copy of the budget document that went to Congress in early February.

2. The briefing boards are much "busier" than we would normally suggest. However, they were deliberately designed to incorporate as much information as possible, so that they can serve as an abbreviated outline. We need your okay or suggestions for major changes on them by noon tomorrow.

3. We must send an advance copy of the speech to the Senate Appropriations Committee by Friday, 5 March, so we need any changes you want to incorporate in the draft by Wednesday, 3 March.

4. We need to see you as soon as you have had a chance to read the draft, to discuss the approach, the various props referred to, and the rehearsals that you told [] you want 25X1A to have. Then we can prepare for the pre-briefings scheduled for 9 March and 15 March.
